CLUB SPA & FITNESS ASSOICATION

Fitness Facility of the Year

On September 28, 2013, Broken Sound Country Club Spa & Fitness Center of Boca Raton, Florida, received the prestigious Award of Merit as "Fitness Facility of the Year" from Fitness Institute International. This award was presented for a commitment to providing their members with the safest and most effective fitness instruction along with outstanding personalized exercise programming. Mr. Michael Tompkins, Director of Spa & Fitness, along with Doug Rotondi, CPTS, Director of Fitness, received this award on behalf of Broken Sound for setting a standard of excellence in professional service through the employment of a highly credentialed and caring staff. This facility was also recognized for its unique concern for the health screening of members and the availability of professional medical services.

Michael Tompkins, Director of Fitness, Anthony A. Abbott, President of the Fitness Institute International, Inc. and Doug Rotondi, Assistant Director of Fitness.
